## California Spring Beer

Renew your taste buds for Spring with our California Spring Beer, a dry-hopped wheat ale designed to help refresh your palate after a winter of darker beers. Pouring a hazy gold with a thick, white head, floral hop aromas spring from the glass to complement the taste of tangy wheat and a bitter, slightly sweet, bready finish.

ABV: 5.2% ~ IBU: 20

*February - April*

AVAILABLE IN 12oz BOTTLES / 6-PACKS
