**Califonia Spring Beer**

A refreshing, hoppy wheat ale perfect for springtime. You'll experience pear, citrus and floral hop aromas combined with a crisp wheat character and pleasant, bitter finish.

**ABV: 5.2% ~ IBU: 20**

February - April

**Wheels Up Helles Lager**

If you could taste the clouds, this is what they'd taste like. Light, airy, with a delicate bready and lightly kilned malt sweetness. Balanced out by traditional munich lager yeast, this is the perfect beer to kick your wheels up and enjoy a summer afternoon.

**ABV: 4.3% ~ IBU: 14**

May - July

**Oktoberfest Fall Lager**

A traditional German amber lager brewed using all German ingredients. Oktoberfest has a wonderfully malty backbone with a hint of earthy hops making this lager balanced and clean.

**ABV: 5.7% ~ IBU: 23**

August - October

**Chocolate Porter**

Rich and decadent. The intense, roasty flavor comes from two types of chocolate malt and raw cocoa nibs. Whole vanilla beans introduced post fermentation add complexity and enhance the dessert-like qualities of this full bodied beer. Indulge yourself!

**ABV: 8.0% ~ IBU: 47**

November - January
