

Redlands, California

RIVERSIDE | SAN BERNARDINO

# Partnering to Make a Difference

## THE STORY

This citrusy, bold, hoppy Red Ale was developed in 2013 to celebrate Redland's 125<sup>th</sup> Anniversary and pay homage to our community and its citrus heritage. Hangar 24 believes Redlands Red is the perfect beer for a community partnership with Feeding America Riverside | San Bernardino, a charity that feeds over 425,000 children, families, seniors and veterans each month in our local region and distributes over 2.5 million pounds of food each month to people in need. The meals we fund will go right back to the local food bank of Feeding America Riverside | San Bernardino to help hungry American families right here in our backyard.

## OUR COMMITMENT

Hangar 24 will donate one (1) meal for every 6 pack or 22oz bottle of Redlands Red ale sold.

## THE BEER

CITRUSY and BOLD. This hoppy red ale and its brilliant red-copper hue match the color of the local soil giving Redlands its namesake. A unique bitterness balanced by notes of toffee and caramel are complemented by a bright, fruity aroma – showcasing the local citrus creating its distinctive character. Like a fond memory, this beer keeps you coming back for more.
